ACADEMIC PROJECT

Blinkit Wallet Share Growth Strategy — **November 2023**
Capstone Project (Product Space)

- Led a five-member team to design product strategies aimed at increasing customer wallet share and engagement.
- Conducted 40+ user interviews over 25+ hours to identify customer pain points and behavioral insights.
- Prioritized solutions using Impact vs. Effort framework and defined KPIs to measure business outcomes and success.

Choice Connect User Onboarding & Retention — **November 2023**
Live Product Project

- Collaborated in a two-member team to enhance onboarding experience and user retention for a consumer application.
- Analyzed primary and secondary research to identify friction points in user journey and engagement drop-offs.
- Proposed data-driven product improvements to enhance activation and long-term retention.

PROFESSIONAL EXPERIENCE

HCLTech — **Bangalore, India**
Analyst — **July 2024 - July 2026**

- Designed and led the implementation of Salesforce–Ship Station workflow automation, reducing order processing from days to minutes and shipping costs by 33% across 4,500+ monthly orders.
- Orchestrated one-click re-shipment and returns processes, removing manual intervention and accelerating customer operations across 4,500+ monthly orders.
- Launched a subscription fulfillment channel in collaboration with stakeholders, generating approximately $5,000 in recurring monthly revenue through process design and automation.
- Streamlined inventory and revenue workflows across warehouse teams (20+ users), improving reporting accuracy and enabling leadership decision-making through KPI dashboards and Salesforce enhancements.

Bento Labs — **Hyderabad, India**
Product Intern — **July 2023 - December 2023**

- Authored 15+ PRDs defining user stories, KPIs, and acceptance criteria across Agile sprint cycles with 4+ stakeholders.
- Conducted 20+ user interviews and 5+ competitor analyses to identify product gaps and built Figma prototype improving Assetmonk platform usability across core modules.

Flam — **Bangalore, India**
Founder's Office Intern — **June 2022 - June 2023**

- Developed product and GTM initiatives for an early-stage startup, translating insights into growth strategies with founders.
- Managed 150+ campus ambassadors and acquired 2,500+ users through college partnerships and engagement campaigns.

LEADERSHIP ACTIVITIES

- Mentored 900+ students as a Teaching Assistant for Digital Design, facilitating laboratory instruction and evaluations.
- Coordinated four corporate events for Quark'23 and secured sponsorship partnerships to facilitate event execution.
- Earned a Black Belt (1st DAN) in Karate, demonstrating long-term commitment, discipline, and leadership.
